Fall 2022

Moving Toward Normality

Children's ministry in Europe is beginning to return to normality. We have had requests for kids camps, back to school activities, and soon Christmas parties.

Energia Conference 2022 Milan Italy

The Energia Conference sponsored by Europe's Children happens every two years. It is a Europe-wide children's ministry conference for missionaries and nationals working with children to encourage, strengthen ministry skills, and supply new resources. We celebrated together the beginning of September with about 100 participants from 14 different countries. It was fantastic! Participants left with new ideas and a renewed excitement to reach children.
