Summer 2023

Ministry Opportunities

Europe's Children has helped with Christmas outreaches, after-school programs, kids' and adolescents' camps, space renovation for children's ministry, and monthly prayer times focusing on different countries. Lots more opportunities to come. Thank you for standing with us.

Oasis Centre Madrid

Europe's Children helped to purchase educational toys for the after-school tutor program and also for the summer kids camp.

Spain Seminary Student

Ester had the opportunity to minister at a kid's camp in Sarajevo. The host said, " My discipleship group of girls are completely obsessed with her!". She has a ministry for the deaf and hopes to go to Croatia next year to help develop a deaf ministry. Europe's Children helped with her airfare.

Monthly Prayer Initiative

We continue our monthly prayer initiative focusing on the needs of children in Europe on the first Thursday of each month. Join us at 19:30 Central Europe Time.
